INTERVIEW SUMMARY

The Applicant's undersigned representative thanks Examiner Tecklu for the thoughtful courtesies and kind treatment afforded during the Examiner-initiated telephonic interview conducted on July 14, 2007. In the interview, the Examiner requested a further recitation of structure in certain claims, in response to which the Applicant's representative proposed to add the feature of a processor. Although no agreement was reached at the time, all parties concurred that the interview aided the mutual understanding of the disclosure and generally advanced prosecution, as evidenced by the later-issuing Notice Of Allowance.
